

Minnesota Directors of Nursing Administration/Long Term Care

Dear Friends of MN-DONA:

The Minnesota Directors of Nursing Administration/LTC (MN-DONA) greatly appreciates the support of our vendor community. This support allows us to accomplish our mission of providing exceptional education programs and other significant benefits for our members. The partnership of our vendors and MN-DONA is crucial to our mutual success.

MN-DONA has developed a sponsorship program to enhance interaction between the vendor community and our members. There are six sponsorship levels. Different sponsor benefits are associated with each level of sponsorship. The sponsorship program offers our vendors the ease of selecting the level that best correlates with their needs for advertising and marketing within the long-term care nursing community. The benefits of vendor sponsorship will be realized immediately and will continue all year long through our strong sponsor benefit program. Our vendor sponsors benefit from outstanding advertising, marketing and relationship building opportunities by selecting one of the six sponsorship alternatives. Sponsorships will be renewable on a yearly basis.

Our mission statement emphasizes education for nurses and therefore the first five levels of sponsorship will provide scholarship support through our MN-DONA Scholarship Program along with exhibit space at our Fall Conference.

Included with this letter is a detailed listing of the partnering opportunities along with a sponsorship registration form and more information about MN-DONA. If you are interested in participating in our vendor-partnering program, please return the completed sponsorship registration form to the MN-DONA association office. Payment information is listed on the Sponsorship Application. Sponsors will be given the first opportunity to select their booth at our Fall Conference each year. Booth space at our Fall Conference will be open to non-sponsors on a space availability basis only.

We appreciate vendor support of MN-DONA. Through sponsorship, we hope you develop many rewarding relationships with our members. Please contact us with any questions about the MN-DONA Vendor Sponsorship Program.

Sincerely,

*Libby Lindberg*

Libby Lindberg, President and the MN-DONA Board of Directors

# MN-DONA Sponsorship Program

*MISSION: As Minnesota Nursing Administrators in long term care, it is our mission to promote leadership excellence through education, networking, mentoring and advocacy for the benefit of our members and the people in the communities we serve.*

*“Our vision is to be known as a leader in the evolving climate in long term care”*

MN-DONA offers a sponsorship program for those companies that want to get more exposure to our members and show their support of our profession. The program has several levels with an increase in the benefits as the amount of sponsorship increases. We are focusing on offering more educational scholarships to those individuals who are pursuing nursing degrees and are currently employed in a member facility. We are offering a multi-level set of sponsorships. We hope you will consider participating!
